

**Learning at Home**

The Department of Education, QLD has also provided a suite of online resources to support schools and parents/carers to maintain teaching and learning in the event of a prolonged school closure or student absence.

**Learning @ Home** The Department of Education has a number of online tools and resources to support students. Curriculum resources for Mathematics and English are available for students to complete at their own pace.

**Please note** - Students in Prep to Year 3 may require support to read and understand instructions. Visit <https://education.qld.gov.au/curriculum/learning-at-home> for resources. The resources provided here are a sample of activities that can be printed and are designed as a support tool for students to continue their learning and engage in familiar activities essential to their learning and wellbeing.

**The Learning Place** Additional online resources are available through the [Learning Place website](#) using individual students log ins. This is the same logon (username) and password that students use to log onto the computers at school.

Please contact the teacher for these details if required. You can find these resources here: <https://learningplace.eq.edu.au/cx/resources/file/6f953822-eb08-473b-9f36-f5637af98019/1/index.html>

**Resources** - There are resources to support this on the 'Learning Place' [here](#) and Edstudios (links & details below)

**Trouble Shooting**

The Learning Place website states ...

**“Departmental websites and applications issues with Chrome v80**  
 Staff, students and the public using un-managed devices (e.g. non-MOE, BYOx and personal) will have issues accessing some departmental applications and websites using Google Chrome v80. The department is working with Google to resolve these browser issues introduced by the new version upgrade.  
 Chrome v80 users will not be able to access:

- CAMS
- Learning Place resources (e.g. searching from Staff and Student sites)
- some resource links within eLearn courses and edStudios.

For CAMS, Staff and Student sites links to Learning Place resources, users should continue to use Internet Explorer 11 or Safari on Mac. Access will be available to eLearn using Chrome v80.”
